Link:	https://www.splitwise.com/	
Provider:	Splitwise, Inc	
Brief description:	The app Splitwise is a clever expense calculator for a group. First, each group member downloads the app and then simply enters their payments and at the end the app calculates all the entries against each other and spits out who owes how much to whom.	
Access and usage Information (Costs, requirements cloud based, mobile usability, …):	The app is available free of charge for Android and iOS. Additional features are available with the paid pro version. Registration is required. After installing the app and logging in using your Google account, mobile phone number or email address, you can start right away.
