What is Padlet?

- Padlet is a virtual (digital) pinboard

What is Padlet?

- Padlet is an app on which texts, images, videos, links, voice recordings, screen recordings and drawings are stored.

- The interactive whiteboard can be used for any kind of collaboration: Wikis, glossaries, backups and comparisons of work results, chats, mind maps, etc.
Step by Step

Step 1:   Installation

Step 2:   Registration

Step 3:   Membership Level Selection

Step 4:   Creating a padlet or joining
